LUCIO CAVALLARI

Lucio Cavallari is an Italian artist that combines a wide range of disciplines including light, video, sound and interaction design.

Has exhibited widely in Europe, Asia, the US and further afield. The range of work he's carried out over the years includes art direction and content creation for the entertainment industry and the society of spectacles.

Has worked and collaborated amongst many others with: Block9, United Visual Artists, Oliviero Toscani, Marco Balich, Immersive ltd, Res London, Dua Lipa, Arctic Monkeys, UNKLE, Massive Attack, Candy Crush Saga, Kinetica Museum, Philip Treacy, Roland Lane, Inition and Luxottica.

He currently lives and works in Modena, Italy.

[Resume](#)

“It’s rare to come across an artist with such diverse skills. His many different experiences - from his life in London, to Barcelona, Granada and the tropical rainforest of Costa Rica - have led him to create an art form that is unconventional and innovative.”

Manuela Wirth

Director and Founder [Hauser & Wirth Gallery](#)
